

PERFECTLY PORTIONED AND PORTABLE, BONTERRA ROSÉ IS NOW AVAILABLE IN 250ML CANS.

At Bonterra, we grow wine organically and sustainably, treating the land with deep respect. We plant native flowers around our grapes to attract beneficial bugs, and welcome songbirds and chickens into our vineyards to eat up pests. We even employ sheep to mow between the vines. In our vineyards, every living thing is connected and we all work together to create pure, flavorful wine.

2018 ROSÉ

Mendocino County
Crafted From Certified Organically Grown Grapes

NOTES FROM WINEMAKER JEFF CICHOCKI

With aromas of strawberry, key lime, rosewater and hints of pineapple, this vibrant bouquet is consistent on the palate, along with notes of ripe peaches, watermelon and pomegranate.

This is a dry rosé, making it an ideal wine to enjoy on its own, but it is also incredibly versatile to pair with food.

JEFF CICHOCKI, WINEMAKER

TOTAL ACIDITY: 0.57 GRAMS/100ML pH: 3.24
RESIDUAL SUGAR: 0.15 GRAMS/100ML ALCOHOL: 13.0%
