ROSÉ
CALIFORNIA

Perfectly portioned and portable, Bonterra wines are now bubbly, and available in 250ml cans. Bonterra Bubbles are delightfully fizzy and available in both Rosé and Brut varietals. 100% organic grapes, and no artificial additives, enjoy the same great Bonterra wines, in a portable can.

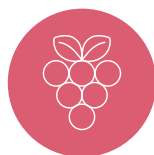

A celebration of the vitality derived from organic cultivation, these wines reflect careful farming practices carried out on a dynamic network of estate and partner farms throughout California.
